

**Order Code: XCBHC6PC**

6W - Bulkhead Wall Light with Opal Polycarbonate Diffuser - IP65 - Photocell - 6000K - Black

**Features**

- Suitable for exterior walls and entrance areas
- Photocell option available
- Up to 67 lumens per watt efficacy

**Construction**

- Black polycarbonate body
- High quality polycarbonate construction
- Shallow profile diffuser
- Opal polycarbonate diffuser
- Supplied with daylight [6000K]

**Technical Data**

| General                       |         | Electrical                |                  |
|-------------------------------|---------|---------------------------|------------------|
