

### Order Code: XCWL23CT

23W - Wallpack CC - IP65 - CCTK Selector [3000K/4000K/6000K]

#### Features

- Ideal for retrofit of HID discharge wallpacks
- Suitable for exterior walls and entrance areas
- CCT adjustable via 2-way dip switch [3000K/4000K/6000K]
- Sensor options available
- Up to 70 lumens per watt efficacy

#### Construction

- Polycarbonate body and diffuser
- Integral emergency option available
- CRI: Ra>80

#### Technical Data

| General                       |                   | Electrical                |                  |
|-------------------------------|-------------------|---------------------------|------------------|
| Luminaire Wattage (W)         | 23                | Rated Input Current (A)   | 0.12             |
| Weight (kg)                   | 1.40              | Power Factor (pf)         | 0.9              |
| Operating Temperature (ta °C) | 0 to 25           | Input Voltage Range (VAC) | 220-240          |
|                               |                   | Inrush Current Peak (A)   | 10               |
|                               |                   | Surge Protection (kV)     | 1                |
|                               |                   | Conductor Size (mm)       | 2.5              |
|                               |                   | Terminal Type             | 3 pole piano key |
| Light Output                  |                   |                           |                  |
| Lumens (lm)                   | 1600 to 1900      |                           |                  |
| Efficacy (lm/W)               | 70                |                           |                  |
| LED                           |                   |                           |                  |
| CCT (K)                       | 3000K/4000K/6000K |                           |                  |
| CRI                           | >80               |                           |                  |
| Macadam Elipses               | 4                 |                           |                  |
| Driver                        |                   |                           |                  |
| Driver Current (mA)           | 700               |                           |                  |
| Forward Voltage (V)           | 25.2-30.6         |                           |                  |

**Order Code:** XCWL23CT

23W - Wallpack CC - IP65 - CCTK Selector [3000K/4000K/6000K]

### Dimensions

|        |     |
|--------|-----|
| A (mm) | 307 |
| B (mm) | 257 |
| C (mm) | 105 |
